An aerial photograph of the Portage High School campus. The image shows several large, rectangular school buildings with flat roofs and numerous windows. There are several tennis courts with white lines on a dark surface. A large, open grassy area, likely a football field, is visible in the foreground and middle ground. A road with a few cars runs horizontally across the middle of the image. The overall tone is sepia or aged black and white.

FOREWORD

A reflection on the 1963-1964 school year at Portage High School will recall various aspects of school life to all of us.

We'll remember the informality of high school: tense minutes of football and basketball games and the dances afterwards where no one danced, homecoming, formals and proms, long afternoon announcements, crowded halls during seventh hour, and club meetings. Neither will we forget the formality of high school: homerooms, silent study halls and the library, long lunch lines, seating arrangements at assemblies and final exams.

This year's Roundup staff has tried to recreate these experiences in pictures which will recall those happy and hectic high school days. Come along through that year, our senior year.

They were once again undefeated in conference play and ended the year with a 4-2-2 season. Mr. Tyler and Mr. Burns are to be especially commended for building a winning team.

The French Club constructed the prize winning float.

1963 FOOTBALL HOMECOMING

This year's theme for the football homecoming, "Medieval Merriment," was the basis for the many floats and the dance. Karen Baumgartner, the homecoming queen, and Jim Happel, the homecoming king, were crowned during half-time and reigned over the dance held the following night.

The Cross-Country Squad this year regained the title of conference champions. With the support of many underclassmen the team turned in an outstanding record of 7 and 1. The coach of the girls' tennis team—Miss Smith.

The girls' tennis team was very active this year and had another excellent season. The girls ended the year with a 4-2-1 record. The team will lose four seniors this year—Mary Mc Namee, Elaine Hoelzle, Jean Ferris, and Linda Powell. However, three sophomores—Carol Hunter, Lana Karlan, and Dee Van Ooy—showed outstanding promise this year and next year's team should be better than ever.

Besides playing tennis the team had a dinner party at the home of Elaine Hoelzle and had a camp-out in the spring.

Student bowling again enjoyed great popularity this year. The lanes were in action each Thursday between November 7 and March 26. There was a boys' league and a girls' league with approximately 126 students taking part. Mr. Cloney is to be especially thanked for his fine job in creating a smooth-running organization. At the end of the first half of the season, Harvey Thornton had the high single for the boys with a 213 and Jean Ferris led the girls with a 176.

CONCERT CHOIR

The Concert Choir is the highest vocal group in our schools. Members are chosen on their ability to read and understand music, their vocal ability, an above average interest in music and their willingness to perfect the choral literature given them. They participate in concerts, assemblies, community projects and festivals. Many of these people go on to study music as a career or as an avocation. Part of the intent of this particular class is to prepare the student for music in colleges and universities. Membership is obtained through invitation by the director, Mr. Thusius, only. It was this organization that was the performing group in last year's musical **The Student Prince**.

This group, directed by Mr. Thusius, consists of people who have been active in vocal music throughout junior high and high school years, and who have passed an audition with the director proving their musicianship and interest in the organization. Daily rehearsals are held in which vocal techniques, choral literatures, music fundamentals and concert presentations are taught. The choir participates in various concerts and festivals throughout the year and those who show the most promise and growth are eligible for the top vocal group—the Concert Choir.

Under the direction of Mr. Nemitz, the performances of **The Miracle Worker** were a terrific success. The play was a story of Helen Keller, a deaf, blind, and mute child, and her fight to converse with the world. Doctors were unable to help Helen so her parents hired a young woman to try to teach Helen to care for herself and understand her surroundings. The play was very heart-warming and well done.

F.H.A., F.T.A., AND F.N.A. OFFER

The F.H.A., F.T.A., and F.N.A. are vocational clubs for students interested in homemaking, teaching or nursing. These clubs gave the students advanced knowledge in the areas of their interests.

The F.T.A. gives all members with a study hall an opportunity to teach in the elementary and junior high schools. By working in the classroom with the students, the members are more fully aware of the aspects of the teaching profession.

The F.N.A. provides a chance for the girls in the club to work at Bronson Hospital. The girls work at night for one semester and then another group is given a chance. Like the F.T.A., the girls in this group are given an advanced chance to see the aspects of the profession they are interested in.

The F.H.A. also gives girls a chance to work at perfecting homemaking skills. They work in the home economics department at various projects throughout the year.

They in turn, received a better understanding of America.

Area foreign exchange students were present at the foreign exchange assembly.

YEARBOOK STAFF WORKS BUSILY

Kathy Knoll, Vicki Neadstine, Jean Ferris, Sue Short

Mary Anne Mac Donald, Marcia Antonivich, Sue Short

In Room 214 of Portage High, fourteen students slaved to produce the Round-up '64. Discarding some old sections and adding some new, the staff hoped for a more interesting book. Now, in order to produce a good book, money was necessary — solution: advertising. Our staff donned the guise of salesmen and traveled to the outer corners of Kalamazoo to raise this money. At the completion of our advertising campaign, work began in earnest. Typists worked busily away in their little "office" while the others madly measured pictures. Despite many setbacks, the book is done and our fourteen are now resting.

Audrey Thomas, Marilyn Snyder, Maureen Long.

In the "Hole" as the Mustang News Staff calls it, the staff works busily to produce the school newspaper. In order to supplement the normal interest articles, the students become public opinion pollsters. Stopping everyone in the hall, they pose their question to them. After they get all the materials necessary, they assemble them to make up the paper and send it to press . . . but a newsman's work is never done so they start over collecting more materials for the next issue.

STUDENT LIBRARIANS

The student librarians at Portage give up their study halls for 1/3 credit per year to work in the library. Much time is taken to learn about book placement on the shelves, library rules and library record keeping, then the student librarians successfully employ their knowledge. Their services help make the library an efficient place. Mrs. Cornish, Mrs. Chatelain and Mrs. Horsfall are the directors of this group.

Front: Mrs. Cornish, Mrs. Horsfall, Helen Muir, Bob Cunningham, Marge Gauthier, Shirley Williams, Linda Clark, Marsha Johnson, Sue Keagle.

Modern dance is a type of dance in which the performer makes up her own movements as she interprets the music. It first appeared at the turn of the century and is the basis for Broadway and television choreography. The girls in the club are given the opportunity to display their talents at the annual Christmas Chocolate, at the Children's Play and at their Spring Recital.

Members of the modern dance club practiced in the chorus room and in the halls after school to work out new routines and perfect their skills.

They then must pay their dues of \$1.00 and participate in all the activities put on by the club, both work and fun. This year the club made money by selling programs at all the games and by selling stadium seats in the fall. Among their other activities were a trip to Detroit for a hockey game and their annual dinner dance.

Again this year, the varsity club sold programs at the basketball games.

PEP CLUB PROMOTES SCHOOL SPIRIT

Pep Club Officers and Sponsors
Darlene Gent, Barb Harnevious, Miss Becker, Mr. Minor, Char Berends, Judy Moore.

Remember the Pep band, or the take off on "The Night Before Christmas?" These were two of the skits put on by the Pep Club to promote more school spirit. Every game is preceded by pep posters, predictions of the drastic fate which will befall our foes when met by the Mustangs. This club has contributed a lot to building the enthusiasm of the students in their team.

Portage's mascot, Winnie, was present at pep assemblies.

SENIORS GRADUATE

JUNE 10, 1964

Here four of P.H.S.'s foreign students graduate:
Ricardo Iglacias, Solveig Aasen, Anneka Vanderklift,
and Carlos Pillegrini.

Graduation—the final activity of school life for three hundred and fifty-eight Portage High School seniors. As friends and relatives were seated in the gym, the graduates-to-be lined up in the cafeteria and made ready for the long march down the center aisle. Soon they were listening, with mixed emotions, to Martha Beardsley's Senior Student Address and Dr. Alvin Loving's commencement address. Then they filed out and re-assembled back stage to receive their long awaited diplomas. Smiles of happiness, tears of regret that high school was over, and pride and joy of accomplishment dominated the faces of all the graduates as they accepted congratulations of the friends and relatives.

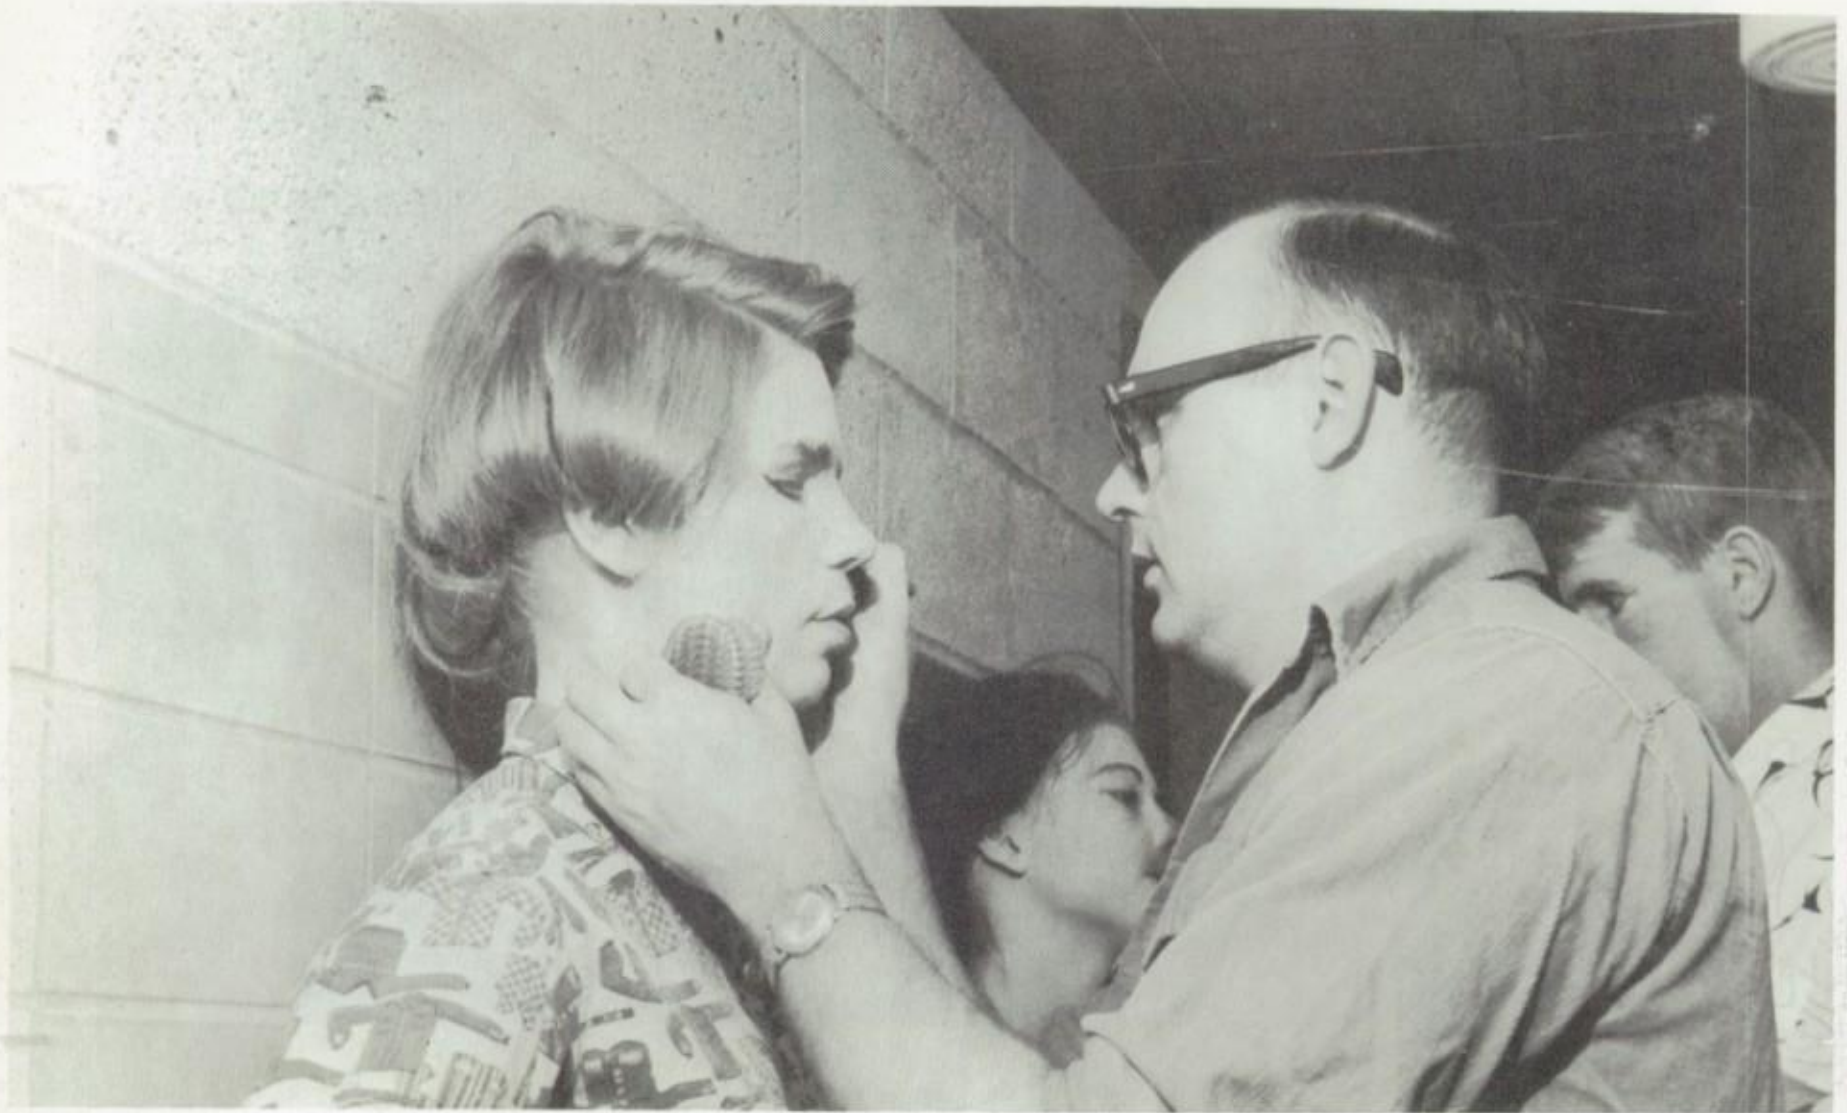

Martha Beardsley gives the excellent Senior Student Address at Graduation.

Leif Larson and Val Flanagan practice handshakes. Later Naomi Hahn comes from backstage to receive her diploma, and Ruth Gruizenga accepts congratulations from Mr. Wilkinson. After all is over, Mr. Tyler gives a sigh of relief.

Director, Mr. Nemitz, makes up Madeline Brandt for a very important role.

Mike Miller is very excited at the thought that he will be the producer of a talking movie.

This year's spring play was "Once in a Lifetime," a satire on the Hollywood of the '20's and the beginning of the "talkies." The cast of over forty was one of the largest ever used, employing both the talents of experienced student actors and those trying acting for the first time. Through their efforts and the capable help of advisor Mr. Nemitz and student director Tom Hill, the play provided an evening of enjoyable entertainment for all.

Mike Miller doesn't seem to think the marriage scene went too well.

Voice teacher Sally Evans listens to Pat Bradley's breathing to see if her voice can be helped.

Couples dance to the music of Ken Morgan's band.

"Moonlight in May" was held on May 23, 1964, in the high school gym. The Jollie Jollie Juniors worked enthusiastically. The gym was decorated in yellow flowers with the couple's names inside, green vines, a swing, lawn furniture, and a large golden moon to make this Junior-Senior Prom the best ever.

All danced to the music of Ken Morgan's Band, and later were entertained with folk songs by the Ka-Be-Ko Trio.

As the couples found "their flower" and left, they knew that "Moonlight In May" would be remembered for years to come.

JUNIORS WORK FOR BEST PROM EVER

Sophomore girls serve at the Junior-Senior Prom.

Senior girls and their dates gather to discuss the evening.

The 1964 "Hootenanny P.H.S." was one of the best variety shows ever produced in our high school. The work done by faculty advisor, Mr. Nemitz, and co-chairman, Marlene Ryskamp and Jo Ann Ryskamp, made this show possible. The talent shown by all participating members was outstanding. Much work was also done off stage which resulted in excellent organization, scenery and costuming. Both students and faculty members were proud of this year's show.

Do the innocent one! (tell me another?)
 Haven't this been a great year?
 A guy who's persistent, a friend who
 can't make up her mind, and all
 the other good things. A lot has
 happened in the last year - Perry and
 I have been together and apart and
 together and finally, most unfor-
 tunately, apart. And life isn't like
 there's stripes and well... But you
 and Dad are still together (how dull)
 we have a lot of memories - happy
 and otherwise. Did I ever forget Snow
 Map Day or all the times we have
 around town. Or the night that you
 and Dad broke up and when you went
 back together. Or the night of the
 prom (oh boy!) Or a dad who will
 be graduated and be wiser of the
 world!
 Compliments of
WALTER E. RING
 Jeweler
 Southland Shopping Center
 It's sure that your plans are
 made and all well and you
 success in your job and later on
 in your marriage (Boy are you
 ever sick!) It's also sure that I'll see
 you often - yours unavoidable!
 Love ya,
 Dad

FAREWELL

June 2, 1969

Sandi,

Gee, you'll be out of school in a few days; fun, fun, fun.

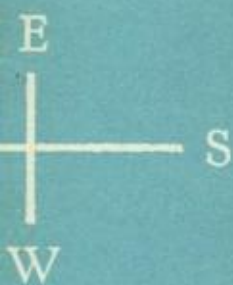

We've had a real riot in this study hall but really Sandi - you shouldn't talk so much.

You've taught me a lot mostly not to play with fire. (Beatty) You'll be glad to know that I've taken your advice and if Ray ever gets around to writing I'll be all set.

You're very fortunate to have a guy like Fred who treats you the way he should (some of us get rats!) Always be happy Sandi and stay as sweet and wonderful as you are now.

I wish you the very best of luck in your coming years. Be good and don't work too hard. I'll probably see you this summer.

Hilda

Sandy,
Good luck to a real
sweet, cute gal with
a wonderful person-
ality. Keep smiling and
your ego far in life. Be good &
don't do anything I wouldn't
see, that leaves the field wide
open, doesn't it? Chuckle. Take
good care of Fred & good luck at
Bronson!

Sandy!

It has been so much fun
knowing you this year. I have
really enjoyed being in the class
with you and I can't explain how
much I have gained from F.H.D.
I have had a wonderful year here and
I can honestly say I hate to leave. I
would like you to come and see me in
Norway so cross the ocean if you can.
Best of luck always to a real nice girl,
